The Higher Elementary Section of the Fisheries School at Malpe has been converted into a Middle School from 1-6-52 as per sanction accorded in G.O.Ms.No.522 Dev. dated 2-2-1951. Both the Elementary Section and Middle School Section are being run under the supervision of a B.T. Headmistress sanctioned in G.O.522 Dev. dated 22-2-1951 though both the Sections are following different syllabus, working days and holidays. The Ele. Section is adhering to the Elementary School Syllabus and the Middle School of the Secondary School Syllabus. The total working days required for the Ele. School and Middle School each year are 220 days and 180 days respectively. Since the administration of both the sections are different, the necessasity of bifurcating them is keenly felt now. The District Educational Officer, South Kanara, Mangalore has also in his letter No. 7898 E2/51 dated 22-8-1951 (copy enclosed) approved the bifurcation.
